The Sensational Seven were able to get back on track for Thalvarien but they lost two days worht of time. There was a lot of stop and go during the trip. Everytime Pyretrix take the lead the axebeaks attacked each other. Sometimes the axebeaks would hit and miss; A few times they tried to kill each other. Brolasi bloked the axebeak's attack and realized they do not like Pyretrix.

The adventurers pass through the forest and found a nice town to stop for the night. The town is tiny with 5 buildings; two houses, a general store, a potion shop, and a tavern-like building with "Clean food and water sign"

TAVERN

Pyretrix, Ruben, Xucphr, and Brolasi struggled to get through the tavern door due to it's small size. A man behind a makeshift countertop look like a gnome. He spoke somewhat like a heavy russian accent and very fast. The man look at us with an emotionless expression. Judging from his face, not many people pass througuh the tavern.

Xucphr started the ritual for comprehend languages. While Xucphr chanting in tongue, his

eyes roll to the back of his head as he's levitating. Brolasi goes to the bar to get a drink. The man comes back out with a mug with brown liquid and set it in front of them.

The drink does not taste like beer. It taste like he something he made up on the spot. The drink is not good and not strong enough to get someone drunk.

Brolasi gave the bartender a half-hearted smile with a thumbs up. The bartender's expression changed from black to excitement. He smiled back at Brolasi. Xucphr still chanting with his eyes in the back of his head.

XUCPHR'S CHANT

Xucphr's chanting, levitation, and expression scared the entire tavern. He's literally scaring the wenches!

Pyretrix start walking around the town. Pyretrix stare at the people in the town to see if anyone will attack the group. There are a few children that appear depressed. Everyone in the town seem to live a decent life; no homeless situation and everyone live in a nice house. The general store and potion shop look a bit worn down but very lively.

The potion shop is ran by a minotaur named Sebastian Steer. General shop appears to be ran by a Giff (hippo people). Pyretrix decied to walk into the potion shop. The potion shop appears bigger than the other stores around town. Ruben and Rayla head to the potion shop as well.

Sid appears right next to Pyretrix and Pyretrix jump a bit back. Pyretrix talked to Sid about trading someone's soul for his soul, which Sid rejected the "soul for a soul" idea. Sid said the contract is binding and won't alter the contract. Sid explained that he can't kill his brother but Pyretrix is very strong and should be able to kill him. As Pyretrix tries to alter the contract, Sid's eye start to twitch from fustration. Pyretrix asked if there was a way Sid can move the group closer Thalvarien.

The rest of the adventurers saw Pyretrix talking to himself; they're not able to see Sid. Only one other persion and Sebastian heard Pyretrix within the shop. Sid began to cry and rant about his eternal tormenting from his brother; tortured for the past 10,000 years.

Sid mention that a subclause was to be added if he doesn't ill his brother and can take his soul. Sid an Pyretrix agreed that someone can take

Pyretrix's soul in place but he **MUST** kill Kip. The two shook hands and cains wrapped around their hands. Sid demanded that he has to kill his brother in front of him; Promised to throw in an extra reward.

In the back, Sebastian brought out a gravity bong. It look like a masterpiece where orbs gravitating around the bong. Ruben was amazed; a single tear of joy fell from Ruben's eye. Sebastian pulled out the weed but it was no ordinary weed. This was enhanced gnome weed, a Thalvarien type gnome weed.

As Raylay and Pyretrix successfully left the shop, an elder man outside the shop said "He really need some help" before walking away.

Back at the tavern, Xucphr's ritual finally finish and returned back to normal. Xucphr was able to understand the bartender and asked him about the town. "It's a very small town, not welcoming and I wish to die.", said the bartender. "The paladian that walked in and drank my drink made me happy at least." as he smiled

towards Brolasi. Brolasi just gave a half-hearted smile back.

The bartender, Peter, explained that the town treated him like shit and hated the drinks that he served. He mention that he ws a worshipper of the not good ones - the ones down below. Peter was a cultist of the nine hells that trid to resurrect a creature of darkness. Due to the several unsuccessfull resurrection he left them behind.

Pater does not keep in contact with the cult after a long period of time. He said there's plenty of cultist spots in Thalvarian, even some in Noctheria. Xucphr told Peter to stay there as he left the tavern to find Pyretrix. Xucphr saw Pyretrix and both adventurers ran straight to Peter in the tavern.

Peter greet Pyretrix and offered a drink. Before Pyretrix could answer, Peter went into the back and brought out a mug with brown liquid. Pyretrix drank from the mug and realized the drink tasted awful, thinking that this is what dirty toilet water taste like.

Pyretrix finised the drink and said he's never had a drink that's also chewey. Peter explained that he made a drink that's also a meal at the same time. Pyretrix said "Well Sid would like this drink and he's a demon". Peter asked if Pyretrix was threatening him while looking in disgust from Xucphr and Pyretrix.

Pyretrix stated that he can hook Peter up with Sid. "What part of the nine hells this Sid stay in?" said Peter. Pyretrix didn't know but Peter said pick a number. "Sid is from the Iron City of Dis" Pyretrix responded.

Peter has visit the city once but enjoyed his experience with the city. Peter agreed to Pyretrix's deal but did not know how to create the pact. "You may need to shake his hand. It worked with you and Sid before." said Xucphr.

Once they shook hands, chains wrapped around Peter and he fell downward into a fiery pit. Pyretrix body felt heavier and felt relieved that his soul returned.

AFTER THE HANDSAKE

Every on the tavern saw Peter fell into the pit as he screamed for his life. Between Xucphr's ritual and Peter's descend into hell, everyone in the tavern kept their distance from The Sensational Seven

Pyretrix called Sid and he appeared to Pyretrix once again. Sid confirmed that Peter soul ws taken and Pyretrix gain his soul back. Suddenly Sid became visible to everyone in the tavern. "Hell gained another person who belong there" said Pyretrix. Sid told the group that their brother, Kip, has a contract with someone in the city - Yotash Nemmonis.

DEMON CHEEKS

Sid offer Pyretrix a quick feel but Pyretrix declined the offer. Rayla cop a feel on Sid's butt - firm but smooth.

The group decided to head to the potion shop to get Ruben. A giant weed cloud that covered the entire potion shop with no safe way inside. Rayla decided to enter since vampires are immune to the weed cloud. Rayla crawl around the shop due to the thickness of the smoke.

Rayla successfully made her way into the back and viewed Ruben and Sebastian floating mid-air and glowing. Ruben and Sebastian were having a deep conversation with all of the gods within their gnome-weed trance. Rayla attempt to speak to Ruben but no response. She tap Ruben shoulder and his entire dream fell apart. Ruben is broken out of his high and was upset. Rayla told Ruben it's time to head out.

Before leaving, Sebastian gave Ruben a big bag of enhanced gnome weed. Sebastian and Ruben dap each other before parting ways. Brolasi requested Ruben to share the enhanced gnome weed but Ruben said he will share it once the time is right.

dwarven with a saddle, and two other women. Xucphr caught on that the buffest person was a changling and the other is a shifter.

Brolasi introduced themselves to the changling named Valna. Valna explained that it's been ages since their group had civil conversation with people and asked the reason for our traveling. Brolasi stated that we're on a journey for their friend Pyretrix. Valna reached into their bag and brought out a strip of leath with writing. "If you need anything, you can always hire The Queens!" said Valen.

Valen further explained that The Queens are a mercenary group that were finishing a security job for some rich person. Valen mentioned that Ilkari, the shifter, was something else during their last job; Ilkari was insulted and started to argue with Valen.

They walk over to the fire and brought out some rabbits and whatever else they had in their bags. Brolasi brought out some rations to share with The Queens. Ilkari walk towards Pyretrix and ask to arm wrestler to see how strong he is. Pyretrix and Ilkari sat at the table near the tents, sat down, and grab each other hands. Xucphr was attempting to get out of his coffin but Ruben sat on top of the coffin to prevent him from leaving. Pigsly mention that everyone in her squad is strong but reassured Ruben that she is just as strong as the others. Ruben also reassured her that he's as strong as his team with his spells. They continued to talk until their shift was over. Ruben continued to sit on top of Xucphr's coffin.

IT SHOULD HAVE BEEN ME!

Xucphr was understanding but upset that he didn't get a chance to interact with the muscle mommies.

Ilkari said they wanted to find her next time it's "cold" but Brolasi said as long as we pay them we can call on The Queens for help. Rayla walk over to Ilkari and talk about hiring The Queens for their journey.

Valna said she knows Ilkari had a great night but anything dealing with finances has to involve her. The price for The Queens is 2k gold per person per day. Ilkari said they'll take any kind of payment but Valna shut down Ilkari's statement. Then Valna reached into her bag and pulled out a leather strip. "Our card" said Valna as Brolasi took the "card" from her. The leather strip contain their location in Thalvarian and their symbol. The queens started to pack their things and leave the campsite. THALVARIAN

The Sensational Seven made it to the city and were amazed by the view from the outside. Thalvarian is a stipidly large city state. Walls built all around the pyramid-like shape town. White marbel buildings and big booming businesses with the streets filled with townspeople. The blackpowered and government business were expanding and booming; It is the golden age for industry.

The adventurers made it to the front gate and see the guards. The gates had vines of bronze and what appears to be leaves made of gold. The guards have swords, shields, and double barrel shotguns while the smaller guards have maces and other small weapons. "Business or pleasure" said one of the guards and he look around the carriage. Another guard asked about the crutters, Ziggy and the axebeaks, and mention that we're responsible for our own creatures and held responsible. The Sensational Seven understood and paid 5 gold pieces for each person and 10 for each animal.

The guards open the gate and said "Enjoy Thalvarian" as they move aside for the group to enter. As the group went inside, the adventurers took a moment to absorb their surroundings. The roads were paved, which is not a common view, wide sidewalks, and steam machines around every corner.

Rayla and Xucphr decided to head towards a jewelry store to get some gold coins for the jewelry in Xucphr's bag. They found a shop called The Dragon's Hoarde and see a halfling at the register and a few other people working with customers. Inside, a red dragonborne pop their head out from the door and said "Ruben, I'm still working on your weapon!" Namash Drephac, the dragonborne, told Ruben to come into the house and look out for the traps. He asked Ruben about his latest adventure while he's working on the weapon. As Rubne talk about his adventures a small explosion happened and Namash's face turned black from the gunpowder.

Ruben discovered that the top part of his pinky was gone. Namash said it was all a part of science. After catching up, Namash told Ruben his weapon would be ready in 3 days. Namash escort Ruben to the front door and continued to tinker away.

Brolasi and Pyretrix head towards a tavern called "The One-eyed Beholder" where they meet a beholder behind the bar with no eyesockets. After the bartender gave a "warm" welcome, Pyretrix said they're looking for Yotash Nemmonis. The bartender said the Nemmonis family are very famous and powerful within Thalvarian. Meanwhile, Xucphr and Rayla go into a building called The Top Hat where they found an older elf gentlemen. The older elf was the owner of the establishment and said to talk to the 5 simulacrum if they needed help. After the shopping trip, Rayla and Xucphr made their way back to the Tavern to meet with the rest of the party. Xucphr decided to buy a drink and Rayla went told the group she was heading towards the school for the library. The Sensational Seven, minus Rayla, exchanged information while Rayla's true intent was to party.

Brolasi discussed about Yotash Nemmonis and how much influence the family have in Thalvarian. Ruben mention that he vaguely know of Yotash since they went to the same school. "We can just lure Yotash out and ask him some questions" said Ruben. The adventurers agreed to this and they kept discussing about other alternative.

From a distance, Rayla made her way to the party district and went to some of the clubs. Rayla found a particular club, THe Bejeweled Tits, and went inside with Ziggy. The chosen spells must be of a level for which you have spell slots. For example, if you're a level 5 Paladin, your list of prepared spells can include six Paladin spells of level 1 or 2 in any combination.

If another Paladin feature gives you spells that you always have prepared, those spells don't count against the number of spells you can prepare with this feature, but those spells otherwise count as Paladin spells for you.

MAGE HAND

Conjuration Cantrip

Casting Time: 1 action

Range: 30 ft.

Components: V, S

Duration: 1 minute

A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again.

When you cast the spell, you can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial.

As a Magic action on your later turns, you can control the hand thus again. As part of that action, you can move the hand up to 30 feet.

The hand can't attack, activate magic items, or carry more than 10 pounds.

MAGIC STONE

Transmutation Cantrip

Casting Time: 1 bonus action

Range: Touch

Components: V, S

Duration: 1 minute

You touch one to three pebbles and imbue them with magic. You or someone else can make a ranged spell attack with one of the pebbles by throwing it or hurling it with a sling. If thrown, it has a range of 60 feet. If someone else attacks with the pebble, that attacker adds your

spellcasting ability modifier, not the attacker's, to the attack roll. On a hit, the target takes bludgeoning damage equal to 1d6 + your spellcasting ability modifier. Hit or miss, the spell then ends on the stone.

If you cast this spell again, the spell ends early on any pebbles still affected by it.

MENDING

Range: Touch

Components: V, S, M (two lodestones)

This spell can physically repair a magic item or construct, but the spell can't restore magic to such an object.

MOMENT TO THINK

Transmutation Cantrip

Casting Time: 1 bonus action

Range: Self

Components: V
